

MY JOURNEY TO BURUNDI

For a decade Burundi suffered a civil war that claimed up to 300,000 lives. Today the country is recovering from the genocide but has a long way to go. It is rated as one of the poorest & most food challenged countries in the world.

I'm excited to be part of the team from The Chapel traveling to Burundi, Africa on **August 20-29**. We will be working with Harvest Initiatives Burundi, a well-respected ministry led by a highly-dedicated indigenous team of Christ-followers. We will be coming alongside of Harvest Initiatives to help reach and serve the Ba-twa people group of northern Burundi. They are a shunned people group with the average life span of 27 years. The Chapel has adopted the Ba-twa village of Bugenyuzi and joined with Harvest Initiatives in a Christ-centered holistic ministry through building of homes and sharing the good news of Christ. We will also be listening for what else may be done to bring the love of God to the Ba-twa.

While I'm looking forward to this trip, I know I can't do it alone! I'll need friends and family to partner with me!
